

ALLEN AND HEATH Mixer | ZED-10FX | USB Mixer with FX

Product description

The Allen & Heath ZED10FX is a multi-purpose mixer with FX for live sound & recording. The ZED-10FX is an amazing little desk for small band or live mixing. They are ultra portable for carrying to the gig, and can be used for recording live or in the studio. Guitars can be plugged in directly to the mixer using the specially designed high-impedance inputs, while the mixer has two stereo inputs for MP3/CD players or keyboards. Equipped with professional XLR main stereo outputs and a flexible monitoring section with headphone and speaker feed outputs. In the FX version, we've added a set of fabulous effects to give shimmering reverbs and enhance your sound. More info: <http://www.allen-heath.com/ahproducts/zed-10fx/>
