

REDhead LIGHTS | DG-800 | 3 lights, barndoors, stands

Features

Lights	3 x 800w, no dimmers, barndoors, power cables
Stands	3 x adjustable light stands (tripod)

Included

Carrying bag	Yes
Light cable length	Approx. 3m each (permanently connected)
Extension cable	Approx. 3m with 6 socket outlets (surge protector)

SPECIAL INSTRUCTIONS

Connect lights to extension lead which has in built surge protector.

Lights will get hot. Allow to cool before packing away and be careful when moving.

Barndoors fold closed in particular order to allow them to be flat.
